EDUCATION

Innovation Academy STEM Magnet High School   *Expected graduation: May 2024*

- Relevant Courses: AP Computer Science Principles, Engineering Concepts, AP Computer Science A, Engineering Applications, AP physics 1, Chemistry
- GPA: 4.16

Harvard Summer School   *June 20, 2023-August 4, 2023*

Course: Comp Sci/Business Professional (CSCI S-1B)

- Variant of Harvard College's Introduction to Computer Science. Whereas CS50 itself takes a bottom-up approach, this course takes a top-down approach.
- Rigorous 7-week course that tests student's computer science skills and teaches them to think from a management perspective.
